

Juice Fasting Retreat in Southwest Turkey

How to get there

Flights

The best way to get here is by air to Dalaman Airport. There are regular charter flights from many UK airports direct to Dalaman for 7 & 14 nights. Most of these flights leave the UK on Mondays. When booking we suggest you check the times carefully (sometimes the return times from Dalaman can be at strange hours). Flight prices vary and are not fixed until booked.

Here are some possible places for your flight search:

If you are on a group holiday and your flights match those of others in the group, then group transfer rates apply. For many group holidays, this is included in the holiday price (you may have to wait for 1-2 hours at Dalaman airport for other flights to arrive).
